

Global Polymer Foam Market to reach 26.9 million tons by 2020, says a New Research Report at Ceskaa Market Research

Madison, NJ | Feb 4th, 2016 | Ceskaa Market Research

Ceskaa Market Research (<http://www.ceskaa.com/shop/new-research-2/global-polymer-foam-market-report-2015-2020/>) has announced the addition of the [Polymer foam Market: 2015-2020](#) report to their offering.

The global market for polymer foam has been growing for the past five-years, driven by growth in the end-user application industries such as, building and construction; transportation; furniture and bedding; medical application; and packaging. The Asia-Pacific region dominates the polymer foam market followed by Europe and North America.

Armacell, BASF, Borealis, Coim Group, Conzzeta, Honeywell, JSP Corp., Rogers Corp., Saint Gobain, Sealed Group, Vita Group and Zotefoams are some of the major manufacturers of polymer foam across regions.

This market research report explains current market for polymer foam both in terms of value and volume. The report also highlights the major drivers and challenges, including their profiles related to polymer foam market.

The global market for polymer foam has been growing at a CAGR (2015 to 2020) of 5.1% driven by growing building and construction; transportation; furniture and bedding; medical application; and packaging industries.

The global market for polymer foam is expected to grow from 20.1 million tons in 2014 to 21.0 million tons in 2015 at a year-on-year (YOY) growth rate of 4.6%. In addition, the market is expected to grow at a five-year CAGR (2015 to 2020) of 5.1%, to reach 26.9 million tons in 2020.

SUMMARY

GLOBAL POLYMER FOAM MARKET, BY REGION 2015-2020 (MILLION TONS)

Region	2014	2015	2020	5 Year CAGR (2015-2020)
North America	█	-	-	-
Europe	-	█	-	-
Asia-Pacific	-	█	-	-
South America	-	-	█	-

This report could be used for, but not limited to, the following reasons:

- Gain an overview of the global markets for polymer foam.
- Analyse global polymer foam market on the basis of its types, sub-types and applications, with data from 2014, estimates for 2015, and projections of CAGRs through 2020.
- Polymer foam market breakdown by regions. (North America, Europe, Asia-Pacific, South America and ROW)
- Evaluate the market's dynamics such as growth drivers, challenges and trends.
- Analysis of major players in the polymer foam industry with SWOT for major public companies.

About Ceskaa Research:

[Ceskaa](#) is a boutique market research company serving the global markets. We offer high quality market research reports on various industries. Our strong primary and secondary research teams are committed to assure the best market research reports and precise market data for your consideration.

Our research report provide useful insights, such as present and future market, competitive landscape, drivers, challenges, trends and pricing, which will help you to identify the opportunities and develop profitable business strategies. In-short the goal is to serve information you desire for a better decision making.

Ceskaa provide reports on 12 industries, which in are as follows:

- Advanced Material
- Automation & Control Process
- Biotechnology
- Chemical
- Electronics and Semiconductor
- Energy and Power
- Engineering & Manufacturing
- Food & Beverage
- Healthcare
- IT & Telecom
- Pharmaceutical
- Plastics
